## Experience

---

Bilingual Youth Counselor

Friends of Youth

2019-Ongoing

Part of being a Bilingual Youth Counselor involves studying behaviors as consequence of a traumatic past, to address it effectively and develop interpersonal skills such as DBT (Dialectical Behaviour therapy)

Responsibilities

- Responsible for conducting bi-weekly groups with youths about Equity/Equality, Independent Living Skills (ILS), DBT Skills and others.
- Responsible for creating individualized Goal Development Plans (GDP) for youth assigned to me as their personal counselor.
- Keep up to date with monthly staff trainings.
- Participate in weekly team meetings to address issues, and share important information.
- Keep up record of activities and youth progress as well as giving a monthly and a quarterly report to Program Supervisor.
